## What is Child CARE?

Child CARE is a four-session (plus optional call-back) interactive training program designed to support:

- Wellbeing
- Growth and development
- Optimal behaviour
- Recovery from adversity

Among children in early-learning and long day-care.

Child CARE offers a framework for understanding why children behave the way they do and how to establish a therapeutic care environment that supports growth and addresses factors that give rise to common behaviours of concern.

CARE stands for:

- **Consistency**
- **Accessibility**
- **Responsiveness**
- **Emotional-Connectedness**

Children need CARE

## What does the Child CARE program offer?

The Child CARE program facilitates the development of a tailored **therapeutic CARE Plan** for your setting and for individual children

### What is involved?

- Five interactive workshops (including call-back)
- An embedded self-care framework
- An evaluation framework
- An optional call-back addressing the management of ongoing behaviours of concern using CARE

Each **two-hour**, interactive workshop includes:

- Practical Activities and Demonstrations
- Audio-visual content
- Individual and group reflection activities

## What does it cost\*?

**Standard implementation** (excluding call-back):  
\$4,950 (GST inclusive)

**Full implementation** (including call-back):  
\$5,500 (GST inclusive)

\*Additional costs may apply for implementations outside Adelaide metropolitan area.
